

TYASERS

PROFESSIONAL LIABILITY

Part of the North America & International Specialty Division

The Professional Liability team enjoys special relationships with a select number of market leaders handling many classes of D&O and E&O risks. This enables us to access the best terms available within London and to turn round enquiries in a quick and efficient manner.

We deal with Primary and Excess placements for all classes and use creative approaches on each risk to offer a truly bespoke service to larger and more intricate accounts.

Our expertise includes, but is not limited to:

- Public Companies Directors & Officers.
- Private and Non Profit Directors and Officers.
- International and Non-US Domiciled Directors and Officers.
- Errors & Omissions – Architects, Financial, Healthcare, Lawyers.
- Employment Practices Liability.
- Intellectual Property.
- Product Recall.

Since 1820
