

TYASERS

TRANSPORTATION

Part of the North America & International Specialty Division

We provide our clients with a competitive product coupled with a professional prompt service delivered by individuals who have specialised in this class for many years. We aim to offer a 24 hour turn around with a focus on creating innovative solutions for our clients. Products can be offered on a Binding Authority, or Open Market basis and can include such features as profit sharing, annual aggregate deductibles and burning cost options.

Our expertise includes, but is not limited to:

- Auto Physical Damage.
- Motor Truck Cargo.
- Dealers Open Lot/Garage Keepers Legal Liability.
- Inland Marine.
- Stock Throughput.
- Contractors and Logging Equipment.
- Specialist Auto Programs.
- High Values Private Passenger Vehicles.
- Wrecker Services/Tow Trucks.
