UK CORPORATE RISKS

Tysers UK Corporate Risks Division

We specialise in providing innovative insurance and risk management solutions to a wide range of corporate and commercial UK based companies and their overseas subsidiaries. We offer our clients specialist knowledge in a broad spectrum of industries and products, competitive pricing, quality service, and full access to the Lloyd's, London and International Insurance markets.

"We pride ourselves on providing our clients with high quality personalised service delivered by the Directors and senior staff."

David Randle
Managing Director UK Corporate Risks
Division

Key Strengths

- **Specialist Knowledge** – We use our knowledge to solve problems for the benefit of our clients. From large global companies to trade associations, individuals and small businesses, we provide tailor-made insurance and risk management solutions based on expert advice and individual risk exposure assessments.
- **Quality Service** – From negotiating cover to claims management, our servicing teams develop close working relationships with our clients, providing expert advice on all aspects of insurance and risk management. We enjoy working alongside your management team.
- **Competitive Premiums** – Through our detailed information gathering and risk assessments we are able to design and negotiate the most cost effective solution. In addition, our strong relationships with insurers and the large volume of business we handle allow us to negotiate the very best terms for our clients.
- **Insurer Relationships** – We maintain excellent relationships with the Lloyd's, London and International Insurance markets, ensuring full access to a wide range of insurers and products to satisfy our client's needs.

The Corporate Risks Division is a member of the Unitas National Alliance of Independent Brokers, which is a national alliance of well established independent brokers based throughout the UK.
