## **NORTH AMERICA & INTERNATIONAL SPECIALTY DIVISION**

### Introduction & Contacts

The primary focus of this Division is to cater for all business emanating from the United States of America, Canada and the Caribbean. In addition, the Division has used its experience in these areas to develop Property & Casualty business from elsewhere in the World.

Our large team of brokers is equipped to handle a wide and diverse range of insurance products both on an open market basis and through development of Binding Authorities and Programmes. The product sheets included with this brochure give you a clear idea of the extent of our competence and skills.

Our strong relationships at Lloyd's and many of the London and International company markets allow us to provide our clients with the best possible terms which we aim to deliver in a prompt and efficient manner. All enquiries received at our offices are responded to within 24 hours and final terms, including wordings.

Our commitment to service does not cease after a firm order has been placed. The Technical team will ensure that you receive the official documentation in a timely manner and that all administration processes are completed with the utmost efficiency. In the event of a claim, we will deal with underwriters on your behalf to achieve the optimum settlement in the shortest length of time. The Claims team is comprised of highly experienced staff who have handled claims across many classes of insurance and will ensure the rapid resolution of any legitimate claim.

Through being a truly independent broker, we believe that we offer a superior level of service and we look forward to discussing any areas of your business where we might be of assistance to you.
