Information:

This is a proposal form for a policy relating to claims made against the Insured during the period of the policy only – i.e. CLAIMS MADE is the date when the claim is received by Tyser & Co Limited, not the date of the alleged claim, that determines the applicable policy. A gap in cover therefore leaves the Insured unprotected.

Please answer all the questions giving full and complete answers. If you have insufficient space to complete any of your answers, please continue on your headed paper. This form must be signed and dated by a Director, Partner, Principal or identified Officer of this firm.

The proposal form must be completed and signed and dated by a person who must be of legal capacity and have the authorisation to request this Insurance for the Proposer.

This form does not bind the Proposer but will form part of the Insurance contract if taken up.

Should you wish to discuss any questions on the proposal form please do not hesitate in contacting us, we do understand that some of the questions may not be self explanatory.

Duty to disclose material facts

Since an insurance/reinsurance contract is based upon the duty of utmost good faith, it is important that those seeking insurance/reinsurance should provide full disclosure of all material facts to insurers and that this information should be kept updated. The courts will find a fact to be 'material' where it would affect the judgment of a prudent insurer as to whether or not to accept the risk at the particular terms offered.

The practical advice, which we give to clients or producers, is this; if you are in doubt we recommend that you advise the information to insurers. Please note that a renewal is based on the information, which has already been provided to insurers. Therefore if there is a change in such information which has not yet been advised, this must now be advised to insurers.

Please supply the following additional information:

1. CVs of Directors, Principals
2. Copy of standard Contract Terms and Conditions (if applicable)
3. The last Financial Statement of the Firm/Organisation
