

FINANCIAL INSTITUTIONS

Our Financial Institutions team possess a wealth of experience in this sector. Our in-depth knowledge of both our products and markets enable us to provide unique and creative risk solutions to North American and international clients worldwide, which consist of direct clients, wholesale & retail brokers, insurance / reinsurance companies, MGAs, captives, affinity groups & trade associations.

We work with both individual firms buying independent policy programmes and facilities seeking niche classes and coverage.

Target Industries

- Financial Institutions (banks, credit unions, broker dealers, investment advisers, corporate finance)
- Asset Managers
- Private Equity
- Insurance Companies, Coverholders, MGAs and Insurance Brokers
- Miscellaneous Financial Institutions

We arrange many types of insurance cover for our clients, including:

- Investment Management Insurance
- Professional Liability / Errors & Omissions (E&O)
- Directors' & Officers' / Management Liability / Employment Practices Liability / Fiduciary
- Crime / Bond
- Initial Public Offering Insurance (POSI)
