Introducing Tysers new facility...

STOCK THROUGHPUT +

Tysers Insurance Brokers Limited have partnered with London Market Insurers to provide an exclusive facility which has all the great benefits of a Stock Throughput placement + more, it can extend out to offer cover for Product Recall and Terrorism as a package, with further additional lines of insurance to be announced in the very near future.

In addition to the above we can offer a comprehensive risk management service as a valued added benefit to our clients.

The benefits of Stock Throughput +

- A single, straightforward and flexible solution
- Large limits available
- Full limits available for Windstorm, Earthquake and Flood
- Broad terms and coverages available
- Fast turnaround service for quoting and binding
- Risk management services available
- Competitive pricing and deductibles
- Excellent claims handling capabilities
- Terms provided by A-rated Carriers
- A simple and quick proposal form to complete
