

PROFESSIONAL INDEMNITY INSURANCE

Tysers' PI team works with the best insurers within the Lloyd's, European and Bermudan markets to enable them to design coverage solutions that provide peace of mind for firms to expand operations with confidence.

The team offers a wide range of tailored coverage solutions for the US and international professional service firms. Using their extensive market knowledge, established long-term relationships and claims expertise, they offer expert advice and competitive solutions to a sophisticated and diverse client base. Tysers works with both individual firms buying independent policy programme and facilities seeking niche classes and coverage.
