

# SEXUAL MOLESTATION LIABILITY INSURANCE

Tysers' sexual molestation liability (SML) product provides broad coverage, offering financial protection, response services and risk management for organisations against the cost of defence and liability in responding to actual or alleged acts of sexual misconduct and molestation, as well as negligent hiring and supervision. The product addresses the reputational damage that sexual misconduct and molestation allegations create for companies.

## MINIMUM PREMIUMS

Potentially as low as AUS\$10,000.

## LIMITS

Up to AUS\$10m.

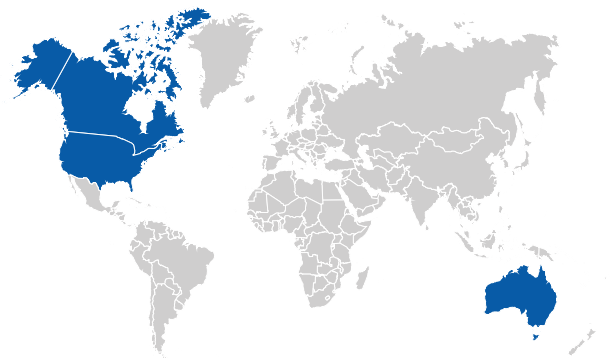

## SKILLS

Service is key, the team endeavours to deliver a 24-hour turn around for every submission. This is achievable due to in-house underwriting authority and daily appointments with underwriters.

## STAND-OUT SERVICE

With over five years of continuous growth of over 20%, Tysers now places over AUS\$50m GWP into the London market and is recognised as an established provider of standalone SML coverage in the US, Canada and Australia. Tysers also recently placed an SML program for a large franchise restaurant in the US, providing coverage to over 4,000 locations.
