ABOUT TYSERS

Founded in 1820, Tysers is a leading independent international Lloyd's broker, based at the heart of the world's premier insurance market in London. Tysers employs over 1,000 people and handles cUS\$3 billion of annual premiums working with leading (re)insurance markets worldwide to deliver risk solutions to a global client base.

Tysers is a member of the AUB Group, an ASX200 listed company comprising insurance brokers and underwriting agencies placing more than US\$4.4bn GWP.

The combination of Tysers and AUB creates a leading, international insurance broking group with a depth of expertise, capabilities, vast product offerings and specialisms.

Client satisfaction remains paramount to us, and our exceptional business retention rates are testament to this. From negotiating cover to claims management, our servicing teams develop close working relationships with clients, providing advice on all aspects of insurance and risk management.

- Strong relationships
- Superior client retention
- Local presence
- Unique culture
- Employer of choice
- Independent
- Financial performance

CONSTRUCTION

Tysers highly experienced Construction team deliver innovative comprehensive insurance programmes for capital projects under construction and operation or maintenance cover by using our considerable presence in the London and overseas markets.

We use our experience and knowledge to scrutinise every aspect of insurer based wordings. If insurer forms are insufficient, we negotiate bespoke policy wordings as required, to help clients obtain appropriate coverage tailored to their specific needs

We have excellent, long standing relationships with Lloyd's and company markets worldwide. This enables us to negotiate preferred rates and policy coverages that are attractive to our clients.

Tysers can provide Annual Contract Works and Single Project Works Policies for both Construction & Engineering Works.

INSURANCE PRODUCTS WE CAN PROVIDE:

- Construction & Erection All Risks
